## Comments:

This class has done a truly amazing job with some high level tasks. Tiger is able to plan and write a story in the correct tense independently. Tiger is full of ideas and is able to organise her ideas to. She is creative and open minded when discussing topics. Tiger has exception grammar and conversation skills.. We are progressing toward more writing activities which are very challenging. I'm introducing TOEIC and IELTS to Tiger as I feel that she will encounter these in the future. She has adapted to the activities extremely well. And has already made a wonderful start to both of these courses at level 1

## Learning Focus:

We are focussing on advanced grammar and vocabulary. Practicing using correct sentence structures and vocabulary in practical situations. We are focussing on Improving grammar at stage 6. Students need to complete this stage with at least a score of 90 percent. We are focussing on using correct grammar when speaking. Students need to remember and practice previously learned grammar rules. We are focussing on understanding writing passages and writing our own samples. Reading and comprehending a variety of literature. We are focussing on building conversations skills by talking about a different topic each week utilizing roleplay.

## Student's Strong Points:

This class has been consistent for a long time. This class is talkative and happily engage in conversation and can talk in depth about subjects. This class shows excellent reading. This class is able to read fluently with expression. This class recognizes punctuation and read accordingly. This class has great grammar skills. This class completed grammar stage 5 and is able to explain when to apply certain grammar rules. This class is able to focus and work hard for long periods of time even when attempting advanced lessons. This class takes on challenges. This class asks questions when they don't understand something. This is extremely helpful moving forward and I encourage more of this.

## Areas to Improve:

I would like this class to attempt more varied writing activities. Learning and practicing different writing styles with advanced vocabulary. I would like this class to undertake projects with specialist vocabulary. Learning synonyms and antonyms and to apply in the correct context. I would like this class to improve IELTS level. We are implementing more of this starting with basic descriptions and writing samples. I would like this class to improve TOEIC score. We are implementing more of this. Student is becoming familiar with format. I would like this class to take more time to consider context of advanced conversations. Students are advised to ask me when unsure
