Comments:

This class has done a truly amazing job with some high level tasks. Pun is able to plan and write a story in the correct tense independently. Pun is full of ideas and is able to organise her ideas to. She is creative and open minded when discussing topics. Pun has exception grammar and conversation skills.. We are progressing toward more writing activities which are very challenging. I'm introducing TOEIC and IELTS to Pun as I feel that she will encounter these in the future. She has adapted to the activities extremely well. And has already made a wonderful start to both of these courses at level 1

Learning Focus:

We are focussing on advanced grammar and vocabulary. Practicing using correct sentence structures and vocabulary in practical situations. We are focussing on Improving grammar at stage 6. Students need to complete this stage with at least a score of 90 percent. We are focussing on using correct grammar when speaking. Students need to remember and practice previously learned grammar. We are focussing on understanding writing passages. We are working together on different styles of letter writing using formal vocabulary. We are focussing on building conversations skills by talking about a different topic each week. Utilizing roleplay situations.

Student's Strong Points:

This class has been consistent for a long time. This class is talkative, happy to engage in conversation and very confident when speaking. This class shows excellent reading. This class is able to read fluently with expression. This class recognizes punctuation and read accordingly. This class has great grammar skills. This class completed grammar stage 5 with ease and is ready to start stage 6. This class is able to focus and work hard for long periods of time. This class is happy to work hard and take on challenging tasks. This class asks questions when they don't understand something. This is extremely helpful moving forward and I encourage more of this

Areas to Improve:

I would like this class to attempt more varied writing activities. Practicing comprehending different texts. Understanding formal writing. I would like this class to undertake projects with specialist vocabulary that represent real life situations. I would like this class to become familiar with testing format and gradually improve IELTS level. I would like this class to become familiar with testing format gradually improve TOEIC score. I would like this class to take more time to consider context of advanced conversations.
