# Poor Floppy

Roderick Hunt  
Alex Brychta

**Floppy was not well.**

He lay on his bed.

**“He looks bad,”  
said Kipper.**

**Biff wanted Floppy to  
get well.**

**Kipper was sad.**

Mum took Floppy to  
the vet.

**Chip went, too.**

Chip looked at the  
pets.

**“I can see six cats,”  
he said.**

Floppy just looked at  
the cats.

He was not well.

The vet looked at Floppy.

**“Give him some pills,”  
she said.**

**Mum took Floppy home.**

Floppy had some pills.

**Floppy was soon better.**
