headache

Have fun

Peer Study

Act and guess: What's the matter with me?

What's the matter with me?

You have a ...

Get ready

Watch a video, then answer the question.

What is the matter with Mandy?

Get ready

Let's role-play. Do you want to be Mom or Mandy?

(Mom is in Mandy's bedroom.)

It's time to get up, dear.

I'm not feeling well, mom.

What's the matter?

I feel very hot. I also have a **headache**.

You probably **caught a cold** from your friends at school. Did you **cough** much during the night?

No, just sometimes.

Get ready

Let's role-play. Do you want to be Mom or Mandy?

Let me feel your head ... Ah, you **have a fever**.

What should I do?

Just **lie down** and **rest**, and drink plenty of hot water. I'll go to the **drugstore** to buy some **medicine** for you soon.

Thanks, mom. Do I need to see a doctor?

We'll see how you feel this afternoon. If you aren't feeling better by the end of the day, I'll take you to see a doctor.

OK, mom. Thank you.

Grammar

Read the phrase, then take turns making sentences using it.

If you aren't feeling better **by the end of the day**, I'll take you to see a doctor.

by the end of ...

到……结束时

Everything will be completed **by the end of the month**.

Check here

1. Work with your partner and fill in the blanks.

What's the matter with him?

He has a f_____.

1. Work with your partner and fill in the blanks.

What's the matter with her?

She has a h_____.

Check here

2. Discuss with your partner: Do you prefer to have a rest at home or go to see a doctor when you get sick? Why?

Homework

1. Listen to the “Branch out” recording from Lesson 7 Part 2, then answer the question:
What should we do if we feel unwell?
2. What other symptoms do you know? List them and bring to the next class.
你还知道哪些症状呢？把它们写下来，下节课要带来哦。
