*(Jimmy and Mandy are talking about pets.)*

Do you have a pet, Mandy? I want one, so I'm thinking which animal I'd like to keep.

Yes, I have a cat. Cats and dogs are popular pets.

I like cats, but I don't think they are as friendly as dogs.

It's true that cats are more independent than dogs, but they are also quieter. Dogs bark a lot.

Do a role play.

I don't mind a dog's barking, but my mom does. I don't think she will let me keep a dog.

Well, you could keep a hamster, a turtle or some goldfish instead.

A hamster? How unusual!

Actually, more and more people keep hamsters as pets these days.

Really? In that case, I think I will get myself one today!
